BESLER ANNOUNCES STRATEGY TO BOLSTER CLIENT SERVICES

(PRINCETON, NJ, May 13, 2009) - BESLER Consulting, a leading financial and operational consultancy to healthcare providers, has announced the appointment of Jonathan Besler, as senior director of client services, according to Jeffrey A. Lampman, executive vice president.

Jonathan is an experienced strategic financial services business leader who has several years of management experience with a leading-edge financial services firm, PricewaterhouseCoopers, LLP in Boston, MA.

Jonathan's work experience is in client service management focusing on auditing/analysis of financial statements and related compliance requirements. Additionally, Jonathan has staff management experience and oversight of activity in areas of work such as risk assessment, budget creation, proposal development and execution for multiple engagements. Jonathan's work during his tenure with PricewaterhouseCoopers supported a significant number of client engagements in the healthcare, higher education, retail and manufacturing industries.

At BESLER, Jonathan will provide day-to-day management and guidance to the Product Lines in the development and delivery of services for our clients. Jonathan will also participate in client relations and business development.

Jonathan holds a Masters of Accountancy from Tulane University and is licensed as a CPA by the Commonwealth of Massachusetts.

About BESLER Consulting

Founded in 1986 to offer reimbursement services to acute care hospitals, BESLER Consulting today provides consulting expertise in many other areas including coding, revenue cycle management, health information, compliance, accreditation, clinical staffing and interim management in a variety of provider settings.
